INTERNATIONAL CONFERENCE

on

Artificial Intelligence and Data Engineering

(AIDE-2022)

Facing Innovative Challenges in the Development of Digital Intelligence

22nd-23rd December 2022

NITTE - 574 110, Karkala Taluk, Udipi District, Karnataka, India
ISO 9001:2015 Certified, Accredited by NAAC with 'A' Grade

Phone: 08258-281264 Fax: 08258-281265

Participants

Faculty and students from engineering colleges, R & D labs and professionals from the industry.

Paper format and Ethics

The research paper submitted should be original work and should not have been submitted in another conference or journal. Format of the journal should be followed for the typesetting of the paper.

Important Dates

Submission of Full-length manuscript – Open	: 01/03/2022
Last date to Submit Full-length manuscript	: 01/08/2022
Notification of acceptance	: 20/10/2022
Starting date for registration	: 05/11/2022
Submission of camera-ready Manuscript	: 20/11/2022

About Nitte

Nitte has its roots in a group of Institutions established by the Nitte Education Trust. The Trust was established in 1979 by one of India's respected Statesman, Late Justice KS Hegde, Supreme Court Judge and Speaker of Lok Sabha, with the mission of empowering rural youth through quality education and healthcare. The Trust has established 36 institutions spread in three campuses at Nitte, Mangalore and Bangalore. It offers education in diverse areas of learning including health professions education, engineering, management, humanities, general education, vocational training, and school/pre-university education.

The University offers a total of 98 programs in the disciplines of engineering, medicine, allied health sciences, dentistry, pharmacy, nursing, physiotherapy, speech and audiology, biological sciences, media & communication, commerce, science, management and Architecture. It has 10,000+ students, over 875 faculty members and over 2475 support staff on roll. The University campuses are spread over 52 acres in Deralakatte-Paneer areas of Mangalore and 110 acres in Nitte.

The University received A+ Grading in NAAC accreditation in 2021. It has been consistently placed in the Top 70-80 rank band in NIRF. The University is placed in the 401 to 450 Rank Band in the QS Rankings for Asia Region. It has received Diamond rating in the QS I-Gauge India Ratings. The Constituent colleges of the university have good standing in their disciplines in the NIRF rankings. In 2021, the dental college was ranked 6th and the medical college and pharmacy colleges were ranked 45th in NIRF. All the Undergraduate Programs of NMAMIT are accredited by NBA. Further, the BPharm program of the University is accredited by NBA. The teaching hospital is accredited by both NABH and NABL.

About NMAM Institute of Technology

Nitte Mahalinga Adyanthaya Memorial Institute of Technology (NMAMIT), an **off campus** of Nitte, offers UG, PG and Doctoral programmes. It currently offers 10 UG programmes in engineering, 06 M.Tech programmes, MBA and MCA programmes. The Institute is ISO 9001:2015 certified. The institute is ranked 138 in the NIRF ranking (Engineering Institutes) - 2021, Govt. of India. Atal incubation center supported by NITI AAYOG, Government of India is situated in the campus.

About ICETE 2022-MultiConference Platform

NMAM Institute of Technology is organizing International Conference on Emerging Trends in Engineering (ICETE-22) during December 22nd & 23rd, 2022, which is the tenth international conference since 2011. Since 2019, in order to focus on the specific issues associated with various engineering disciplines, the idea of a Multi Conference Platform has been mooted. Hence, INTERNATIONAL CONFERENCE ON EMERGING TRENDS IN ENGINEERING (ICETE-2022) – A MULTI CONFERENCE PLATFORM, will also be a collection of several International Conferences with themes specific to various engineering streams. Besides, there will be an opportunity for students and research scholars of various branches of Engineering & Technology, and industrial professionals to deliberate, present and discuss research papers.

About AIDE-2022

With the resurgence of Machine Intelligence, Neural Networks, and Huge Data Artificial Intelligence and Data Engineering have become extremely active areas of research. The purpose of the International conference on Artificial Intelligence and Data Engineering 2022 (AIDE-2022) is to promote research in Artificial Intelligence (AI) and Data Engineering (DE), and scientific exchange among AI and DE researchers, practitioners and academicians from Artificial Intelligence community, Data Engineering community and its affiliated disciplines to create an approach towards a global exchange of information on technological advances and new scientific innovations. AIDE-2022 will have diverse technical tracks, technical talks on innovative applications of AI and DE from eminent scientists across the globe, poster sessions and pre-conference workshop. AIDE-2022 welcomes submissions on mainstream AI and DE topics as well as novel crosscutting work in related areas. The theme of the conference revolves around four verticals Artificial Intelligence, Ambient Intelligence, Machine Vision & Robotics, and Data Science & Engineering.
